OUR MISSION:

To provide a safe and secure environment for our teens so that emotional healing and development of personal and family living skills may occur.

To accomplish this mission, we strive to create an environment at Angel's House that goes beyond the initial need of safe place to stay—we work to model healthy interpersonal interactions and build a family. The cornerstone of our home is our house parents. We have two dedicated direct care staff teams who live in at Angel's House 24/7 in rotating shifts, seven days on and seven days off. They parent the girls and also model what a healthy marriage and interpersonal relationships look like. It's not perfect. Just like your family, ours encourages, supports, shares, but also fails and argues then works to forgive and keep trying.

"When we started in this ministry, our mentors, the Proutys, gave us some wise advice which was **'you will not see the fruits of your labor right away, you have to be patient, in some cases very patient, and most importantly you have to stay the course,'**" remembers house parents Erik and Angela Vielhaber. Having faithfully served alongside us at Angel's House for the last thirteen years, this labor of love is bearing some beautiful fruit!

As we have shared throughout the year, much of the focus of our staff has been celebrating and preparing our recent graduates for college. Our girls are taking the next step: building on what they learned at Angel's House and putting it into practice as they live independently on campus.

But the story gets even better! Recently, we had the opportunity to catch up with several of our former residents, who are a few miles further down the road of life. We were incredibly blessed by what they shared about how they are putting what they experienced at Angel's House into practice in their own families.

REBECCA WHITLEY

"It's been eleven years since I was placed at Angel's House, but not a day goes by that I don't thank God for the time I spent there. I owe much of who and where I am to Angel's House and the love, guidance, and support they showed me. Without it I have no doubt that I wouldn't be who I am today. I am truly the happiest I have ever been, and my heart and home are full. I continue to have a relationship with the staff at Angel's House and they have remained a steadfast support system. Most recently, they helped rally prayers and support for me when I gave birth to premature twins. I have an amazing husband, three beautiful children, and I have experienced a level of peace, joy, and gratitude for life that I never thought possible."

Angel's House Staff

Our amazing staff is the anchor and heart of our home! Direct Care Staff, **Erik and Angela Vielhaber** (The V's), have been with Angel's House since 2009 and employed at GBCH & FM since 2005.

We are thrilled to have recently hired a second husband and wife team of direct care staff and look forward to introducing them to you in January!

Our team is led by **Becky Parish**, who has served as the Program Coordinator at Angel's House since January 2007 and has been employed with Georgia Baptist Children's Homes & Family Ministries, Inc. for over 30 years. **Debbie Neal** joined us earlier this year as an Administrative Assistant.

SAMANTHA REECE

"Angel's House helped me become a better person by showing me love, compassion, and discipline when needed. They were dedicated to helping me become the strong woman I am today. They never gave up on me and made sure I was well taken care of physically and mentally. They helped me get a heart surgery at age 17 that I had needed my whole life. I am so thankful for the love and compassion they showed me—it's helped me become the mother I am now. I have 9 children, a grandson and a wonderful husband who is there for me through everything.

Of all my experiences in foster care, Erik and Angela Vielhaber are the ones who have made the biggest impact on me. They showed me what it was like to have a real, loving family who would be there for me no matter what I did. They took time to take us places and do things with us. They loved me like Jesus loves me and it makes me smile and almost cry with joy just thinking about all the special moments we had together. I love you guys so much."

KAITLYN HARRISON

"Angel's House showed me what it was like to have a home full of people who supported me no matter the decisions I made. They were there for me when I was happy, mad, or sad. They showed me that even though life is hard I always need to look at what's in front of me and not what's behind me. If it wasn't for the people at Angel's House, I wouldn't be who I am today. I've now been happily married to my husband Bradley for eight years and we have three wonderful boys together. We bought a home together three years ago, we own two rental properties, and I own a cleaning company with my sisters. I'm so thankful for everyone at Angel's House for all the love and support they showed me in one of the most difficult times in my life."

The Reece Family

Together we are changing stories from family brokenness, hurt and disfunction to ones of trust, support and love. Your family's support of our Angel's House family is building future families!

The Harrison Family

Consider making a year end gift to Angel's House

BE AN ANGEL

Georgia Baptist Children's Homes and Family Ministries, Inc. is contracted by the Angel's House board and oversees the day to day operations of the home. They provide our outstanding administrators and our loving house parents. The current annual budget to keep Angel's House operational is over $420,000. The stipends received from the state work to offset these expenses, but we are extremely dependent on monetary and in-kind donations.

Monetary donations in any amount are appreciated and may be sent to PO Box 657, Newnan Georgia 30264. Please contact Anne Smith at treasurer@theangelshouse.org or 678-953-1859 for more information.

GIVING HIGHLIGHTS

We love H4H. We could not have moved our three girls off to college without **Hygiene for Humanity** – **H4H**. They made sure our girls were stocked with all of their hygiene needs–over the counter medicines, paper products, and some extra goodies specific to their school. Thank you so much for always supporting Angel's House and being such an important part of our college send offs.

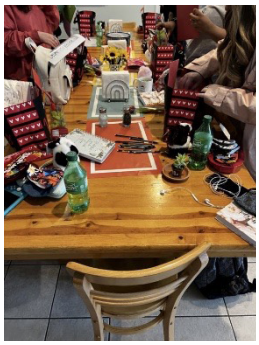
Billy Perkins, Jill McKnight (Angel's House Advisory Board Member) and **Tom Murty** from the board of the **Newnan Pickleball Association** present a donation to board member, **Cortney Lyle** (second from left) this summer. Using funds raised through sponsorships, memberships, registrations and tournament receipts, they were able to support several local charities including Angel's House. This fall they hosted our Board of Directors at the HOP for a team building outing.

Global Youth Ministries delivers a donation of much needed household supplies.

We are thankful for our local high school students who support Angel's House throughout the year! The **Newnan High School Ambassadors** prepared care packages for our Direct Care Staff (left) and **East Coweta High School** football players (center) and **Heritage School Key Club** (right) shown serving as volunteers at the 2022 Run for Angels.

We are thankful for the **Stallings Family** who go out of their way to celebrate milestone moments with our angels including their birthdays and graduations.

Our Annual 4th of July Celebration hosted by **Shelly & Charlie Farmer, Brenda & Pastor Randy Harris, Alexandra & Austin Adams, Kristyn & Lisa DiGiovanni, John & Beth Farmer**. An annual wiffleball tournament was played on the newly dedicated "Field of Angels"!



Cornerstone Kids Preschool at **Cornerstone United Methodist Church**, **Grace Community Fellowship**, and **Erik & Angela Vielhaber** all showed our Angels some love this Valentines Day!

Angels Giving Back: In appreciation for all they've received, our Angels pay it forward and look for opportunities to serve others within our community. Here they made and delivered valentine gift boxes for the residents of Monarch House.

Angel's House residents cheering on the runners at this year's Run for Angels.

Angel's House provides a safe, nurturing home for teen girls in crisis. Some are removed from their homes and placed in DFCS custody because of abuse, neglect or risky behaviors. Some are transitioning between foster homes or are faced with other circumstances that require immediate assistance. The girls who come through our doors receive the shelter, structure, and care they need to maximize their potential for success. Our girls may stay for a night or several months, and thanks to your help we are able to secure their safety and well-being by providing a sense of family that lasts a lifetime.
